

## Second Grade Concert Song Lyrics

### Park Ave. School Song

P-A-R-K A-V-E spells Park Ave, Park Ave,  
It's the only school that really helps kids grow.  
Where learning really starts to show.

P-A-R-K A-V-E spells Park Ave, Park Ave,  
It's the only school that really writes, writes.  
Each and every single night, night.

P-A-R-K A-V-E you see!  
We learn and create,  
Park Ave School is really great.  
It's Park Ave for me!

### The Penguin Polka by Teresa Jennings

<https://www.youtube.com/watch?v=F3tkjD43n84>

I know a penguin who likes to polka,  
eats tapioca, and lives in Boca Raton!  
He has some freckles, a lot of speckles.  
And that is why we call him Polka Dot!

One and two and waddle, waddle. Do the Penguin Polka!  
One and two and waddle, waddle. Polka, Polka Dot!  
One and two and waddle, waddle. Do the Penguin Polka!  
One and two and waddle, waddle. Polka, Polka Dot!

This little penguin can only waddle, but he's a model for any toddling town!  
He may be spotted, but we applauded because we love our little Polka Dot!

ll: One and two and waddle, waddle. Do the Penguin Polka!  
One and two and waddle, waddle. Polka, Polka Dot!  
One and two and waddle, waddle. Do the Penguin Polka!  
One and two and waddle, waddle. Polka, Polka Dot! :ll

## **The Dream of Martin Luther King** by Merle Gartrell

<https://www.youtube.com/watch?v=Y-oAKnlVLFc>

Once there was a gentleman who talked about the promised land,  
He reached out and took the problems of the people in his strong black hands.  
He had a dream that everybody ought to hear the bells of freedom ring,  
Now the people shout and sing about the dream of Martin Luther King, sing about the  
dream of Martin Luther King.

Oh, the dream, the dream of Martin Luther King,  
Oh, the dream, the dream of Martin Luther King,  
Sing about the dream of Martin Luther King.

In this dream he saw the people of this land walking side by side.  
All the people in the nation loving one another with pride.  
Now he's gone away before the day his dream became a real thing;  
But he'll hear the angels sing about the dream of Martin Luther King;  
Sing about the dream of Martin Luther King.

Oh, the dream, the dream of Martin Luther King,  
Oh, the dream, the dream of Martin Luther King,  
Sing about the dream of Martin Luther King.

He was a man who knew peace  
He found a faith in belief  
He preached that violence was wrong  
He knew the fight would be long  
He talked about a new day.  
He walked a dangerous way.  
He knew the life of a slum.  
He sang "We shall overcome"

Oh, the dream, the dream of Martin Luther King,  
Oh, the dream, the dream of Martin Luther King,  
Sing about the dream of Martin Luther King.

## **A Song of Peace** by Teresa Jennings

<https://www.youtube.com/watch?v=oDCgmwbYBm8>

If I could write a magic song that everyone could sing,  
I would write of love, of hope and joy, and things that peace could bring.  
And when we sang my magic song, all hate and war would cease.  
If I could write a magic song, I'd write a song of peace.

One song for all of us. One song could bring us peace.  
One song could make a miracle for all of us. A song of peace.

With just one song, one magic song that everyone could sing,  
We could sing of love, of hope and joy, and things that peace could bring.  
And when we sang our magic song, all hate and war would cease.  
With just one song, one magic song, the world could fill with peace.

One song for all of us. One song could bring us peace.  
One song could make a miracle for all of us. A song of peace.

One song could make a miracle for all of us. A song of peace.  
A song of peace. A song of peace. A song of peace.

**Right with the World** by Karl Hitzemann

(this link is only a sound clip but it's all I found online)

Oh, there is so much that's right with the world.  
Oh, there is so much that is right with the world.  
Just take a look around, my friend.  
You'll see the goodness never ends.  
Oh, there is so much that is right with the world.

Like taking long walks with a friend.  
Watching a sunrise or sunset.  
Or telling someone they'll be okay.  
Or taking time to thank one of our military vets.  
Or simply saying, "Have a good day!"

*Chorus:*

Yes, there is so much that's right with the world.  
Oh, there is so much that is right with the world.  
Just take a look around, my friend.  
You'll see the goodness never ends.  
Oh, there is so much that is right with the world.

Sometimes the bad things occupy our minds  
And we tend to forget, the good things that we see every day.  
Just looking for the good is simply changing your mind-set.  
And good will always find a way.

*Repeat chorus*

Oh, yes there's so much that's right with the world.  
Our world.
