

UA Enrichment Game Board

Here are some fun activities from all the UA teachers you can try.

START

- Make faces to look like emojis
- Balance a ball or EGG on a spoon
- What color do you make when you mix blue and yellow?
- Build a tower that's as tall as you are.
- Walk like a bear, a crab, and a bunny
- Name the keys in homerow
- Use 3 shapes to make a house
- All players recite a nursery rhyme
- Clap a 4 beat rhythm pattern.
- Touch your toes with knees straight and count to 10
- Hop on the right foot 10 x's, then left foot
- Try to make a simple shape using only your hands
- Use a pencil as a mallet to play a tune on a pot.
- "Once upon a time" make up your own fairy tale. The End
- Name 3 different types of lines
- Jump with your arms and legs out and yell "I'm a star!"
- Pretend to type your name on an imaginary keyboard
- Say "toy boat" 5 times fast
- Perform three dance moves from the "Chicken Dance"
- Find out how many drops of water fit on a penny.
- Sing your favorite song.

End
